

On Saturday, February 7, 2015, over 50 people attended a Workshop to discuss possible elements of a new park called:

Price Landing

Please join us to see a presentation of the **Park Framework Plan** for the Price Landing Park. The Park Framework Plan will document input gathered from the community, and will convey a collective vision for the park. In addition to describing the park's primary amenities, it will outline key issues that must be addressed in order to fund and build Price Landing.

Wednesday, April 15, 2015

6:00pm

at the

Oyler School Auditorium

(2121 Hatmaker Street, Lower Price Hill, Cincinnati, Ohio 45204)

This project is made possible by support from [Interact For Health](#) and the [Greater Cincinnati Foundation](#)
